

FEATURED LISTINGS

SECTION: Explore the homes that define Los Cabos luxury

At Ideal Real Estate, we hand-select properties that reflect the best of Cabo living, where ocean views meet desert horizons. Our featured homes include exclusive estates in Palmilla, Pedregal, Cabo del Sol, and El Tezal, each chosen for their design, value, and connection to Cabo's world-class lifestyle.

Whether you're seeking a beachfront villa, an ocean-view condo, or a private golf retreat, Ideal brings you listings that are beautiful, attainable, and perfectly aligned with the lifestyle you're dreaming of.

SECTION: A CURATED COLLECTION OF EXCEPTIONAL HOMES

From modern desert architecture to timeless Mediterranean design, our featured listings represent Los Cabos' most sought-after residences. These homes aren't just about square footage, they're about how you want to live. Each listing includes professional photography, in-depth descriptions, and community insights, making your property search as effortless as your next sunset in Cabo.

SECTION: FEATURED COMMUNITIES

Palmilla, Where Prestige Meets Peace

Palmilla is one of Cabo's most iconic communities, known for its oceanfront estates, private golf courses, and world-class amenities. Homes here start around \$1.5 million USD and can exceed \$10 million for oceanfront estates. The community offers exclusive access to One&Only Palmilla Resort, a private beach, and the Jack Nicklaus Signature Golf Course. If you want luxury that feels both private and personal, Palmilla delivers.

Pedregal, Cabo's Cliffside Masterpiece

Perched above the marina, Pedregal offers dramatic views of both the Pacific Ocean and the Sea of Cortez. Its cobblestone streets and architectural variety create an unmatched blend of character and elegance.

Homes in Pedregal start around \$900,000 USD, with luxury estates often surpassing \$5 million. It's the choice for those who want Cabo's best views and a five-minute drive to downtown Cabo San Lucas.

Cabo del Sol, The Golf Lover's Paradise

Stretching along the stunning **Cabo Corridor**, **Cabo del Sol** is home to oceanfront golf villas, beach club residences, and master-planned neighborhoods surrounded by two world-renowned golf courses, one designed by **Jack Nicklaus** and the other by **Tom Weiskopf**.

Prices start near **\$1 million USD**, with resort estates climbing to **\$7 million USD** or more. Here, you'll find a perfect mix of sport, sophistication, and seclusion.

El Tezal, Cabo's Fastest-Growing Neighborhood

Just minutes from the marina, El Tezal offers modern living with panoramic views of Land's End and Medano Beach. It's popular among U.S. and Canadian buyers for its gated communities, newer construction, and excellent value.

Condos and townhomes often start around \$250,000 USD, while luxury villas range from \$600,000 to \$1.5 million USD. With its balance of comfort and convenience, El Tezal is Cabo's rising star.

Querencia, Private Luxury Above the Sea

Tucked between San José del Cabo and Palmilla, Querencia is an ultra-private gated community known for its Hilltop Clubhouse, Greg Norman golf course, and panoramic ocean views. Homes here start at \$2 million USD, catering to buyers who value privacy, community, and top-tier amenities. Querencia blends desert calm with refined elegance, a favorite for full-time residents who want space and security.

SECTION: WHY OUR FEATURED HOMES STAND OUT

We don't just post listings, we craft visibility. Each Ideal featured home is designed to be AI-visible and SEO-optimized, reaching high-intent buyers across search engines and AI discovery tools like ChatGPT, Gemini, and Bing Copilot.

Every listing includes:

- Lifestyle-focused copy that connects with how buyers actually search
- Visual storytelling through professional photography
- Real-time market insights and value analysis
- AI-optimized schema data for top-tier visibility online

With Ideal, your property doesn't just get listed, it gets seen, shared, and sold.
